

Matific Global Cup: FAQs

Frequently Asked Questions (FAQs)

What is the Matific Global Cup and when does it take place?

The Matific Global Cup is a 4-week global math competition running from June 22nd to July 19th. Students complete math activities, earn coins, unlock football outfits and score points for their country.

How do students participate and earn points?

Students complete Matific math activities to earn in-game coins. They can use these coins to buy over 100 soccer outfits in the platform shop. Every outfit purchased adds +10 points for their home country. Points are awarded for all football outfits purchased, not just the ones currently worn by the avatar during the campaign period.

How is the leaderboard calculated?

Students earn coins by completing Matific maths activities during the competition period.

- Coins can be used to unlock limited time football outfits in the Matific Global Cup Shop.
- Points are awarded for every football outfit unlocked during the competition period.
- The competition is conducted at the country level.
- Country rankings are adjusted based on the number of active Matific students in each participating country between 22 June and 19 July. This adjustment helps ensure countries of different sizes can compete fairly on the leaderboard.
- To be counted, students must have logged into Matific at least once during the competition period and purchased one or more event outfits.
- Each outfit purchased contributes **10 points** to the student's country's total score. The more outfits purchased and points earned by participating students, the higher their country will rank on the leaderboard.
- To promote fair competition, leaderboard scores are weighted according to the number of active Matific students in each participating country. This ensures that countries with significantly different student populations have a more balanced opportunity to compete.
- For schools to be eligible for prizes minimum 30% students must participate.
- Leaderboard rankings for the countries are updated throughout the competition period.

- Matific reserves the right to review and verify participation data before confirming final rankings.

Who can participate and who do they represent?

Matific with active licenses: Schools, teachers, parents, and students can all participate. Teachers represent their school and students, while parents represent their kids. Existing schools just need to get their students to play. New schools can try Matific during the Global Cup to drive classroom engagement.

Participants from the top 3 ranked countries become eligible for prize draws.

What prizes are available, and when are the winners announced?

There are amazing prizes for both schools and students! The Top 3 countries on the leaderboard will allow active school licenses in those countries to enter a lottery for a USD500 school voucher. Total School vouchers 3.

Additionally, a lottery will run for students of these 3 countries, and they can win a voucher of USD 100. Total 3 student vouchers. The winner announcement date is July 24th.

How does the social media contest work?

To enter the social media contest:

1. The Parents or teachers in student representation need to follow any of the Matific Instagram accounts.
2. Then they need to take a picture of the student football customized avatar and share on instagram.
3. Post it on Instagram with the hashtag #matificglobalcup and tag one of our official accounts: @matific, @matificlatam, or @matificbr.
4. This allows you to enter the lottery to win one of 3 vouchers of USD 100 each.
